

City of Deer Park

Fire Control, Prevention and Emergency Medical Services District

2020-2021

Budget Update

Fire, EMS and Fire Marshal

April 19, 2021

FIRE

- o Preventative maintenance has been completed on all fire apparatus as well as annual pump testing
- o We have upcoming inspections on the fire ladders, fire hose, and self contained breathing apparatus.
- o We continue to purchase day to day operational supplies as needed.
- o We currently have on order 22 sets of bunker gear and will be placing an order for spare gloves, hoods and helmets.
- o The gear extractor (washer) and dryer for Station 3 are on order and should be delivered soon.
- o We are currently working on an order for some additional low pressure fire hose and low pressure nozzles.
- o We are currently working on an order to replace 13 SCBA composite bottles that their life span has expired.

EMS

- o Day to day operationing supplies, small tools and minor equipment - On-going
- o Continue with annual inspection and preventative maintenance on stretchers and AED's.
- o Monthly and annual software renewal for inventory control and ordering, staff scheduling, ambulance billing and continue education training opportunities and credential tracking for all EMT's and paramedics
