

## City of Deer Park

### Fire Control Prevention and Emergency Medical Services District

### 2025-2026 Quarterly Report Fire, EMS and Fire Marshal

#### March 2026

---

- Engine 21 PM has been completed and is back at station for response.
- Engine 31 is currently at Siddons for its annual Preventative maintenance
- We have a quote for our annual Preventative Maintenance on our Holmatro “Jaws” equipment which should move forward in the next month.
- In January full service and load testing performed on generators for all 3 stations and Luella complex. Regarding Luella complex 1 repair made on the radiator.
- 15 pairs of firefighting rubber boots purchased and delivered to us.
- Sets of gear that was mentioned being purchased on the previous Quarterly Report has been received and issued out.
- No interest is accrued on E-12 while payment is being processed due to some items that need to be repaired that do not allow the truck to be ready for delivery until sometime after April 1<sup>st</sup>. Unit is currently at Friendswood shop.
- Correction from previous Quarterly Report. Delivery of Medic 2 is anticipated by the end of the first quarter of 2026, with funds coming out of *City Budget not out of FCP EMSD*
