

CITY OF DEER PARK  
710 EAST SAN AUGUSTINE STREET  
DEER PARK, TEXAS 77536

CC 78-42  
PZ 51-121

Minutes of

THE 1724th REGULAR MEETING OF THE CITY COUNCIL OF THE CITY OF DEER PARK, TEXAS HELD IN CITY HALL, 710 EAST SAN AUGUSTINE STREET, DEER PARK, TEXAS ON JANUARY 08, 2019, AT 7:30 P.M., WITH THE FOLLOWING MEMBERS PRESENT:

JERRY MOUTON, JR.	MAYOR
SHERRY GARRISON	COUNCILWOMAN
THANE HARRISON	COUNCILMAN
TOMMY GINN	COUNCILMAN
BILL PATTERSON	COUNCILMAN
RON MARTIN	COUNCILMAN
RAE SINOR	COUNCILWOMAN

PLANNING AND ZONING COMMISSION MEMBERS PRESENT:

DON TIPPIT	CHAIRMAN
RAY BALUSEK	COMMISSIONER
DANIELLE WENDEBURG	COMMISSIONER

OTHER CITY OFFICIALS PRESENT:

JAY STOKES	CITY MANAGER
GARY JACKSON	ASSISTANT CITY MANAGER
SHANNON BENNETT	CITY SECRETARY
JIM FOX	CITY ATTORNEY

1. MEETING CALLED TO ORDER – Mayor Mouton called the meeting to order at 7:30 p.m.
2. INVOCATION – The invocation was given by Councilwoman Sinor.
3. PLEDGE OF ALLEGIANCE – Councilman Ginn led the Pledge of Allegiance to the United States Flag and the Texas Flag.
4. PRESENTATION/RECOGNITION OF LIFE SAVINGS AWARD – Police Chief Grigg, recognized Officers Anthony Baggett and Jason Huff with a “Life Saving Award” from the Deer Park Police Department for their actions in saving the life of Halley Hulse on July 23, 2018.

Mayor Mouton commented, “I would be remiss if I didn’t take the opportunity to recognize a scenario where most people consider a “thankless job”. I always value when we have the opportunity to bring our officers in to recognize them when they do something like this. In

a moment, you saved someone's life and made an impact. I, for one, as Mayor, want to thank you."

Chief Grigg also recognized Officers William Chaffin, Travis Potter and Miranda Ross with a "Life Saving Award" from the Deer Park Police Department for their actions in saving the life of Kenneth Lawton on August 30, 2018.

Mr. Lawton commented, "If you listened to channel ABC 13, they said I was actually dead for about 22 minutes. A lot of people have asked me "what did you see?" I tell them, I didn't see nothing. I can't write a book. For three days I didn't see nothing. The one thing God showed me is that he uses people. He used my wife as she was standing in the front yard screaming to God to "save him" and the officers who were there in minutes. The hospitals in Downtown, that in a matter of days had me up and running around. I have a new little defibulator now. I would also like to thank the Paramedics, the Fire Department and all who were there. My kids said, "Dad I could hardly get there because the streets were blocked." We have one of the best emergency response teams probably in the country right here. They do make a difference."

Mayor Mouton commented, "I wanted to make sure I include Council and myself in regards to thanking you for doing a great job. You are on the front line and there is proof right here that it is worth it. Don't ever think that we don't appreciate it. I know it is a big part of what you do and why we are here. I value being able to take the opportunity to say "thank you". I would encourage anyone, if you see an officer out in the Community, go out and thank them for doing a good job because they make a difference in people's lives and I appreciate that."

5. JOINT PUBLIC HEARING ON THE REQUEST OF DHIRU PATEL TO REZONE THE PROPERTY LOCATED AT 825 CENTER STREET FROM GENERAL COMMERCIAL (GC) TO MULTI-FAMILY 2 (MF 2) – The public hearing was opened by the City Secretary reading the Notice of Public Hearing. (Exhibit A)

Mayor Mouton opened the hearing on behalf of the City Council.

Chairman Tippit opened the hearing on behalf of the Planning and Zoning Commission.

Mayor Mouton called for those persons desiring to speak in favor of the request.

- a. David Parker, consultant for Dhiru Patel commented, "I wanted to speak on this issue. What we are seeking to do is request the rezoning on a piece of property between 9<sup>th</sup> Street and Center Street. There are two pieces of one tract. Reserve A is zoned for Multi-Family 2, but Reserve B is zoned General Commercial. We want to rezone Reserve B to match Reserve A. What is planned is a road to cut through the property to give the least amount of traffic pressure on 9<sup>th</sup> Street. I wanted to speak a little bit of the developer behind this. He is a contributor to this community. He moved here in 1997.

Has a Master's Degree in Mechanical Engineering and two patents with US Corporations. He opened the first hotel in Deer Park, which is the Best Western. Since it's operation, it has paid one million dollars in Hotel Occupancy Taxes. He also opened the Comfort Suites in 2003, which has also paid over one million dollars in Hotel Occupancy Taxes. Most recently, the Holiday Inn Express, which employs almost 20 people. Just to summarize, it is three hotels operating here with 189 rooms, which represents almost half of the Deer Park hotel market. It has collectively paid over 1.3 million dollars in property taxes and over 3 million dollars of hotel occupancy taxes. Probably the most important thing is that it has created jobs. There is also a lot of community involvement, Mr. Patel was the first one to recommend to the City of Deer Park to collect hotel occupancy taxes. He has given free use of meeting rooms to first responders, he has donated to various clubs and has given complimentary rooms to victims affected by Hurricane Katrina and victims of house fires. He is a contributing member of society. We ask that you grant the request to allow the rezoning of Reserve B and adopt the current zoning that applies to Reserve A."

Councilwoman Garrison asked, "This building, is not a normal hotel?"

Mr. Parker responded, "It's an apartment."

Councilwoman Garrison asked, "Would it be like the other hotels where they can pay by the week?"

Mr. Parker responded, "Sometimes they call it extended stay. It gives the freedom for guests to stay long or short term."

Mayor Mouton asked, "Can you rent by the night or by the month?"

Mr. Parker responded, "Yes, nightly, weekly, or monthly. Anticipation, would be to have rent out monthly."

Mayor Mouton commented, "In this region, you would cater to a lot of the industry workers that come here and work and need a place to stay."

Councilman Patterson asked, "Will each apartment have a kitchen?"

Mr. Parker responded, "Each apartment will have a kitchen."

Councilman Patterson asked, "Are they all one efficiency apartments?"

Mr. Parker responded, "Yes."

Councilman Patterson asked, "Will this be a major chain that will operate it?"

Mr. Parker responded, "It will be locally operated by the developer and operated independent of a chain. This will be a one story building, low profile and low impact on the community."

Councilman Patterson asked, "What other amenities will this have?"

Mr. Parker responded, "No swimming pool, no gym. It will have a laundry room."

Mayor Mouton called for those persons desiring to speak against the request.

- b. Rosalinda Vasquez, 801 Grove Street, commented, "I have lived here for 27 years. Do they want to build apartments or a hotel?"

Mayor Mouton responded, "The way I would explain it in my words is, it is an extended stay hotel."

Ms. Vasquez continued, "What I am understanding is if they are planning to build a hotel, wont they bring a lot of people to the neighborhood?"

Mayor Mouton responded, "No. I wouldn't say that. There will be an entrance off Center Street and an exit on 9<sup>th</sup> Street."

Ms. Vasquez asked, "Lately, it has been raining over there in that corner on 801 Grove Street. I don't know what is going on but there is a pool of water every time after it rains. Is it going to affect us over there?"

Mayor Mouton commented, "No. According to the ordinance, no current or new construction can impact negatively any flood issues. It has to be accounted for. There shouldn't be any impact to drainage issues."

Ms. Vasquez commented, "That was my only question. Thank you."

- c. Kyle Ford, 822 Grove Street, commented, "Nothing against Mr. Patel, my family has stayed in his hotels and have had an excellent time. I thank him for having those available? Bottom line is, who wants to have a hotel in their backyard? That is essentially what it would be in my backyard. I guess we are concerned about peacefulness and all the troubles that can occur around hotels. We live in a very safe neighborhoods. I have my concerns with my kids, my neighbors have little kids, so I have concerns about that. bottom line is, who wants a hotel in their backyard? I would encourage you all to vote against this and vote no."

Mayor Mouton closed the hearing on behalf of the City Council.

Chairman Tippit closed the hearing on behalf of the Planning and Zoning Commission.

6. CONSENT CALENDAR – Motion was made by Councilman Ginn and seconded by Councilman Patterson to approve the consent calendar as follows:
  - a. Approval of minutes of workshop meeting for December 18, 2018.
  - b. Approval of minutes of regular meeting for December 18, 2018.
  - c. Authorization to reduce Tandem’s retainage from 5% to 2% for the softball fields.

Motion carried 7 to 0.

7. COMMENTS FROM THE AUDIENCE –

- a. John Matula, 801 Lanell Street, commented, “Greetings Mayor Mouton and Council. On behalf of the residents of Deer Park who value the repose of their homes, their patios and their neighborhoods, please enact a proactive anti-barking ordinance that would enable the residents of Deer Park to enjoy a quiet and comfortable home, patio, and neighborhood. For seven years I endured loud barking dogs next door to me. Then in late 2016, I took steps to try to gain the repose of my home. I contacted Animal Control Supervisor Ms. Hooker and Duke’s owner many, many times without resolving the problem. I was advised to document the barking and I did, in great detail. As the months progressed, I eventually contacted the Police, Mr. Stokes, and even brought this issue before you and the Council. During the latter part of this nine month ordeal, I was subpoenaed to appear before the Deer Park Municipal Court. And during the interviewing of the prospective Jurors, one stated that he also was a dog owner and he believed the City does not do enough to get this issue under control. Well, I took the stand and afterwards I was told this case would be dismissed due to lack of evidence on the day of the citation, even though I had documented for months and months and had hundreds of audio and video files of that dog barking. In the backyard next to me, just a few hundred yards from where I stand, there was not a blade of grass growing near the fence where Duke would run back and forth for hours on end, barking. My home was uninhabitable. We left and stayed away as often and as long as possible. The barking of Duke continued next door until the day they moved to another area of Deer Park. The problem was not solved for the residents of Deer Park, it just relocated for new neighbors to endure. This is a noise exposure chart. (Exhibit B1) I have had many of those symptoms. Chronic barking is a public health hazard. To this day, I continue to struggle trying to maintain the repose of my home. Our homes, our patios, and our neighborhoods, the quiet and comfort of them, continues to be lost, disturbed, and at times even highly disrupted by barking dogs. Please take the necessary proactive steps to enable all the residents of Deer Park to enjoy a quiet and comfortable home, patio, and neighborhood while improving our quality of life. Thank you Mayor Mouton and Council.”

8. CONSIDERATION OF AND ACTION ON A RESOLUTION TO SEEK A FISCAL YEAR 2020 STEP COMPREHENSIVE TRAFFIC ENFORCEMENT GRANT – Motion was made by Councilman Martin and seconded by Councilwoman Sinor to approve Resolution No. 2019-01 captioned as follows:

A RESOLUTION AUTHORIZING AND APPROVING A GRANT APPLICATION AND AGREEMENT BETWEEN THE CITY OF DEER PARK, TEXAS, AND THE STATE OF TEXAS DEPARTMENT OF HIGHWAYS AND PUBLIC TRANSPORTATION IN THE AMOUNT OF FIFTY-NINE THOUSAND NINE HUNDRED THIRTY-EIGHT DOLLARS AND SEVENTY-EIGHT CENTS (\$59,938.78) TO CONDUCT A S.T.E.P. Motion carried 7 to 0.

17. ADJOURN – Mayor Mouton adjourned the meeting at 8:11 p.m.

ATTEST:

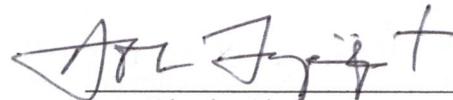

Shannon Bennett, TRMC  
City Secretary

APPROVED:

Jerry Mouton, Jr.  
Mayor

Don Tippit, Chairman  
Planning and Zoning

## NOTICE OF JOINT PUBLIC HEARING

Notice is hereby given that the City Council and the Planning and Zoning Commission of the City of Deer Park, Texas, will hold a joint public hearing at City Hall, 710 East San Augustine Street, at 7:30 p.m. on January 08, 2019 at which time and place they will hear all persons desiring to be heard on or in connection with any matter or question involving

**A proposed amendment to Ordinance No. 3886, the Zoning Ordinance, placing in the Multi Family-Two (MF-2) Zoning District, Reserve "B", all in Block 1, of final plat Patel Family Subdivision also known as 825 Center Street, City of Deer Park, Harris County, Texas, and taking the same out of the General Commercial (GC) Zoning District.** It having been recommended by the Planning and Zoning Commission in a preliminary report filed with the City Council, which is available for inspection by all interested persons, that such amendment be granted.

All persons are warned that the City Council has the power to change any and all features of the proposed amendment, as recommended by said Planning and Zoning Commission in its preliminary report, and may or may not change such property to the above described zoning district.

  
Shannon Bennett, TRMC  
City Secretary

Dated this 5th day of December 2018

## The Symptoms & Side Effects of Force-Feeding Noise into the Domestic Environment

Despite its reputation as a minor irritant, research has shown noise to be a debilitating and potentially lethal toxin. Hence, forcibly projecting noise into someone's living quarters in chronic fashion has the potential to disrupt their autonomic and endocrine functions severely enough to catapult the entire family into a state of frequent agitation and near constant distress, thereby setting in motion a predictable process of physical, mental, and emotional deterioration, accompanied by functional impairment and the severe disruption of interpersonal relationships. This chart delineates that process.

### The immediate effect of an externally generated in-home noise inundation:

Increased heart rate	Respiration increases	Blood pressure increases	Shift in hormonal profile	Shift in electrolyte balance	Dry mouth	Goose bumps
Sweating	Pupils of the eye dilate	Changes in blood lipids	Altered blood viscosity	Altered blood flow	Cold hands	Cold feet
Digestion slows dramatically	Stomach upset	Loss of appetite	Transient sexual dysfunction	Tooth grinding	Bracing/muscle tension	Anxiety
Agitation	Irritability	Anger	Aggression	Interpersonal conflict	Discord within the family unit	Self-medicating
Functioning impaired	Physical coordination impaired	Accident rate potentiated	Error rate potentiated	Inability to think clearly	Judgment is impaired	Inability to make decisions

### The impact of forcibly projecting noise into the home environment over time:

Autonomic disruption grows constant	Sense of constant tension	Endocrine disruption constant	Constant emotional upset	Emotional lability	Exaggerated startle response	Fear of being startled
Anticipatory anxiety	Uncontrollable rumination	Chronic anger	Chronic strife within the family	Chronic depression	Chronic disorganization due to constant disruption of scheduled activities	Schedule is adjusted so all activities revolve around the noise source
Noisy rooms of house abandoned	Uncontrollable rage	Increased risk of violence	Affectionate exchanges cease	Chronic sexual dysfunction	Social relationships abandoned	Social activities abandoned
Childhood learning impaired	Kids fall behind in school	Adult job performance dips	Upset over new job stress	Symptoms mimicking psychological disturbance develop	Difficulty falling asleep - even in a quiet environment	Difficulty staying asleep - even in a quiet environment
Chronic fatigue	Merriment becomes rare	Chronic restlessness	Concentration impaired	Memory impaired	Chronic muscle tension	Chronic muscle contraction headaches
Persistently recurring migraine headaches	Aversion to going outdoors	Regular exercise ceases	Once occasional high blood pressure now becomes chronic	Heart disease takes root	Old substance use increases	New substance use begins
Substance use solidifies	Marked consumption of Rx drugs	Reaction time is slowed	Accident rate increased	Sensitivity to noise is heightened	Family interactions grow dysfunctional	Children fail in school
Chronic overeating	Newfound overweight problem	Chronic loss of appetite	Newfound underweight problem	Chronic gastro-intestinal distress	Resilience wanes as adaptive capacity is diminished	Gums and dental health deteriorate
Ongoing hair loss	Exacerbation of pain	Worsening of preexisting maladies	Immune system dysfunction - increased risk of cold, flu, and infection	Increased risk of developing stress-related disorders	Increasing frequency of illness in general	Recuperation from illness hampered
Exhaustion	Heart palpitations	Classical conditioning generates secondary distress and discord	Abandonment of recreational activities	Abandonment of essential activities	Hopelessness/suicidal ideation	Premature aging

**After years of being elevated due to noise force-fed into the home, chronic hypertension – the silent killer – wreaks irreversible damage.**

### End Organ Damage:

Enlarged heart	Heart attack	Heart failure	Hardening of the arteries	Aneurysm
Stroke	Dementia	Eye damage	Kidney damage	Total loss of sexual function
