CITY SECRETARY

CALL TO ORDER – Mayor Mouton called the workshop to order at 7:15 p.m.

COMMENTS FROM AUDIENCE – No comments received.

1. DISCUSSION OF REHABILITATION OF THE DRAINAGE EASEMENT AND SLOPE REPAIR OF OUTFALL DITCH G105-04-01 – Public Works Director David Van Riper spoke on the proposed work on the drainage easement that has a downstream flow of water from W. 13th St. near the new Fire Station No. 1 and surrounding areas. The drainage easement hasn't been maintained in many years due to access issues and is in need of cleaning and regrading along with repairs to the slope. The proposed work involves creating an access roadway to make it easy for the Public Works crews to continue maintaining the easement and ditch moving forward. The goal of the project is to relieve the flooding that tends to occur on W. 13th Street due to improper drainage of the outfall ditch. The original total was \$463,932 however, the costs have increased and is now at an estimated cost of \$857,462.50.

ADJOURN – Mayor Mouton adjourned the workshop meeting at 7:18 p.m.
