Continuing Education

Scheduling

The DEER PARK PD reserves the right to assign SROs to a police function in the event of an emergency or situation that dictates a call-up of personnel.

SROs may work part-time off-duty jobs at school-approved functions. SROs shall have the right to refuse to perform any off-duty employment and shall not be required in any manner by the City of Deer Park to perform any off-duty employment. DPISD shall offer such employment, only as a separate and independent employer, and DPISD may offer the SRO the right of first refusal for such employment. DPISD shall not state or imply that such additional employment is not voluntary or that any work condition as an SRO is dependent upon the SRO's agreement to perform any off-duty job.

The SRO will be permitted a thirty (30) minute paid lunch period. Like patrol officers, the SRO will be subject to emergency calls during lunch.

A substitute officer will be provided after ten (10) days absence of an SRO. DPISD will not be required to reimburse DEER PARK PD for the time SROs are on sick leave when a substitute officer has not been assigned.

SROs will use City vehicles and carry City radios.

DPISD will provide, at no cost to the City, office space in the campus to which the officer is assigned. The office space must provide the privacy necessary to conduct confidential interviews and other police related business. DPISD will also provide the SRO supervisor with a private office at the assigned duty location. DPISD will also provide computers and telephones, as well as access to copiers and file cabinets. When this agreement is terminated, these facilities and equipment shall be the sole property of DPISD.

School Resource Officer Duties

The SROs primary responsibility is to enforce the law. This may include responding to calls for assistance, preventative patrol, making arrests, and conducting follow-up investigations on campus. The SROs should be contacted for all on-campus responses; however, in the event of an emergency that requires additional officers, or in the absence of the SRO, the 9-1-1 reporting

system should be utilized. SROs should maintain close liaison with campus personnel and be familiar with potential problems.

SROs have the discretion afforded them under the Departmental Rules and Procedures as to what enforcement action is taken when a law is violated. Enforcement action decisions made by the SRO will be subject to approval by their chain of command.

SROs may be contacted by DPISD to deal with law enforcement situations that exceed DPISD's ability to handle administrative and/or emergency situations that require rapid police response and the special knowledge or expertise an SRO can offer. SROs will take permissible enforcement action when necessary. SROs will not enforce DPISD regulations or rules unless the violation of such rule or regulation constitutes a violation of a state law or city ordinance.

Nothing in this agreement shall limit or eliminate the need to utilize the 9-1-1 reporting system, or the use of additional Deer Park Police officers to handle or supplement calls for service. Use of 9-1-1 is encouraged for priority calls even if an SRO is also called.

SROs shall be responsible for handling minor, non-priority incidents typically handled by police officers. These incidents include, but are not limited to, collisions, burglary/theft reports from personnel or students, parking lot details, traffic, or fire lane violations, etc.

The ultimate goal of the SRO is to maintain a peaceful environment that allows the learning process to continue uninterrupted.

Liaison Duties

DPISD Superintendent or designee will meet periodically with the Chief of Police or his designee and/or representatives from the City of Deer Park to discuss and evaluate the police and crossing guard services provided by this agreement.

It shall be the responsibility of the SRO supervisors to maintain close liaison with DPISD faculty, staff, and administrators of their assigned campus. The SRO supervisor will ensure all designated school campuses are adequately staffed by SROs.

Modifications, if required, will be recommended to the governing boards of both entities.

Equipment Provided by Deer Park Police Department

The DEER PARK PD will provide SROs and Crossing Guards with uniforms and issue equipment in accordance with departmental procedures. DEER PARK PD will also provide law books, report forms, computer software utilized for the reporting and investigation of crime. When this agreement is terminated, this equipment shall be the sole property of DEER PARK PD.
