Team of the Quarter Award

Nomination Form

Nominee Names: Bill Philibert, Crissy Naranjo, Jessica Cantu

Department(s): HR

- Tell us why you would like to nominate this team:

  The Human Resource Department had a successful but very tough 2nd quarter. The department dealt with ongoing insurance claims from the January Tornado and the flooding of their offices on June 12th. Throughout this time, their attitudes stayed positive, and they continued to help staff and pulled together to make things happen. Also, their Cinco De Mayo celebration was fantastic. Lastly, their leadership role with the Evergreen salary survey was outstanding. Because of these reasons and many more not mentioned, I would like to nominate the HR Department as the team of the quarter.

- What impact did their actions have on the department and/or overall city?
