(			FY 21-22	FY 21-22	FY 21-22	Brief
Priority	Program Service/Level Option	GIL Account Number	Base Budget	Request	Total	Description / Justification
1	Salaries - Overtime	830-312-41040	\$ 130,000	\$ 35,000		Pennanent increase to cover overtime costs Departmental overtime costs have exceeded the budgeted amount for several years. This is a combination of scheduled overtime (24-hour shifts), shift coverage for sick and vacation leave, and position vacancies. The Department attempts to utilize parHime positions to minimize overtime costs, but those positions are not always able to cover the open shift, especiaUy on short notice, due to their full time jobs.
2	Salaries - Part-Time	830-312-41020	\$ 12,000	\$ 35,000		Permanent increase for Part-Time Peak Hours Truck Due to cal! volume and a reduction in volunteer participation, it is necessary to cover some of the peak hours with part-time employees. Volunteers will still be utilized as much as possible, and additional effort is being placed into volunteer recruitment and retention. This peak hours ambulance has become critica!ly important as our need to call for mutual aid from neighboring jurisdictions has doubled in the last two years. It is advantageous to use volunteer and part-time employees rather than full-time employees because the overall cost is reduced, and gives flexibility if our call volume decreases (hours could also be decreased).
3	Inspections and Permits	830-312-42540	\$ 34,000	\$ 5,000		Permanent increase to cover equipment inspections and maintenance Several pieces of medical equipment have reached the end of their warranty period and will now require periodic inspections and maintenance.
