July 31, 2017

The Honorable Mayor and City Council City of Deer Park

This evening, I present the City Council with the City Manager's proposed budget for Fiscal Year 2017-2018. This budget includes an anticipated ad valorem tax rate of \$0.720000/\$100 valuation, which matches the current fiscal year. This tax rate funds \$13,351,017 of the City's General Fund operations and \$4,498,566 of the City's Debt Service Fund.

Below is a summary of the key components of the proposed budget for Fiscal Year 2017-2018:

Summary of budget expenditure totals of various funds:

| | Proposed | | | | | |
|--------------------------------|---------------|--|--|--|--|--|
| | FY 2017-2018 | | | | | |
| General Fund | \$ 38,784,141 | | | | | |
| Special Revenue Fund | \$ 1,786,568 | | | | | |
| Debt Service Fund | \$ 7,018,928 | | | | | |
| Water & Sewer Fund | \$ 10,908,161 | | | | | |
| Capital Improvements Fund | \$ 6,406,253 | | | | | |
| Storm Water Utility Fund | \$ 337,500 | | | | | |
| Golf Course Lease Fund | \$ 176,000 | | | | | |
| Chapter 380 Reimbursement Fund | \$ 400,000 | | | | | |
| TOTAL ALL FUNDS | \$ 65,817,551 | | | | | |

The proposed FY 2017-2018 General Fund budget calls for a decrease of one (1) full-

time employee, as two (2) Police Officer positions will be funded by the Crime Control and Prevention District budget, and one (1) new Paramedic position will be funded by the General Fund. An additional new Paramedic position will be funded by the Fire Control, Prevention, and Emergency Medical Services District budget in FY 2017-2018. The General Fund also contains two (2) new part-time positions, a handful of reclassifications of existing staff, and a 2% cost of living increase for City employees.

- The Water & Sewer Fund is an enterprise fund which derives its revenues from water and sewer rates, not property taxes. Annually, this fund faces several mandatory expenses and programs required to continue operations in compliance with state and federal regulations for water and wastewater treatment. We continue addressing repairs to aged water/sewer infrastructure. During FY 2017-2018, the City will issue certificates of obligation of approximately \$6.7 million to fund capital expenditures. This is the seventh consecutive year of a 10 year water/sewer capital improvements program. These certificates of obligation are secured by the "full faith and credit" of the City of Deer Park, but for FY 2017-2018, only a portion of the principal and interest on the obligations will be paid with water and sewer fees. In recent years, water and sewer rates have been increased five percent (5%) annually to fund the cost of operations and debt service. The City plans to conduct a new rate study in FY 2017-2018 to update future cost estimates. In lieu of a rate increase in FY 2017-2018, the City has moved a portion of the annual debt obligations for the water and sewer system to the debt service fund to offset the flat revenue projections.
- Funds are provided in the Debt Service Fund to pay the annual interest and principal payments on previously issued bonds and related costs, including for FY 2017-2018, a portion of the annual debt obligations for the water and sewer system. The amount estimated in FY 2017-2018 for these payments is \$7,018,928.
- The Special Revenue Fund consists of revenue and expenditures related to the City's Hotel Occupancy Tax, Municipal Court fees, Police Forfeiture funds, and grants. For FY 2017-2018 the proposed expenditures in this fund total \$1,786,568. Of these, Hotel Occupancy Tax expenditures total \$886,832. Several City events and projects are funded through Hotel Occupancy Tax proceeds, including the annual Reindeer Park, partial cosponsorship of the San Jacinto Day Festival and Battle Reenactment, wayfinding signs, and advertising and promotion of Deer Park's 125th Anniversary. Municipal Court fees will fund related Court expenditures of \$355,748 in FY 2017-2018, and Police Forfeiture funds will cover \$14,403 of Police Department expenditures. Grant funds of \$529,585 expected from the Texas Parks and Wildlife Department will be used to cover costs for the City's wetlands project and hike and bike trails.
- The Capital Improvements Fund is for the purpose of funding capital improvements on a cash or pay-as-you-go basis. This fund reduces the use of long-term debt financing. Numerous projects totaling \$6,406,253 are included in the FY 2017-2018 budget. These include \$3,622,440 for construction and furnishing of the new City Hall; \$1,633,813 for street improvements; \$200,000 for sidewalk improvements; and \$637,000 for various Parks & Recreation facilities. There is also a \$100,000 contingency for unforeseen capital needs.

- The Storm Water Utility Fund allows the City to cover expenses associated with the unfunded federal mandate known as the National Pollutant Discharge Elimination System (NPDES). The NPDES mandate requires cities to implement programs and practices to control polluted storm water run-off through a permitting program. A fee of \$1.60 per month per residential water utility account and \$1.60 per month per Equivalent Residential Unit (ERU) for commercial businesses will be assessed to fund this program. This represents an increase of \$0.15 per ERU per month. The Storm Water Utility Fund's budgeted expenditures during FY 2017-2018 total \$337,500, and include lease-purchase payments for a Street Sweeper and a Gradall vehicle, both of which are used to clean ditches and improve the flow of storm water.
- The Golf Course Lease Fund is used to record the expenditures associated with maintaining The Battleground Golf Course and Republic Grill through a lease agreement with Touchstone Golf. For FY 2017-2018, the Golf Course Lease Fund expenditures are budgeted at \$176,000 for equipment rental, repairs and maintenance, and a new marquee. Budgeted revenues are down from past years, due to the restructuring of the City's lease agreement with Touchstone Golf.
- The City has three (3) component units of our local government, which are the Crime Control and Prevention District (CCPD), the Fire Control, Prevention, and Emergency Medical Services District (FCPEMSD), and the Deer Park Community Development Corporation (DPCDC). The CCPD and FCPEMSD were created by approval of Deer Park voters in May 2011 and renewed by Deer Park voters in May 2016. The DPCDC was approved as a Type B Economic Development Corporation by Deer Park voters in May 2015. Each of these entities operates under the direction of its own Board of Directors. CCPD revenues assist with the purchase of items utilized by the Deer Park Police Department, while FCPEMSD revenues help fund the needs of the Deer Park Volunteer Fire Department. For FY 2017-2018, the CCPD plans expenditures of \$1,442,096 while the FCPEMSD's planned expenditures total \$3,810,343. DPCDC expenditures support seven (7) specific public parks improvement initiatives with expenditures totaling \$2,700,900 in FY 2017-2018.

Production of the City's annual budget remains the largest single undertaking of the year. It only happens because of the dedication and hard work of a strong team of our City staff and elected officials. I thank all of you for your part in another successful effort.

Sincerely,

City Manager

CITY OF DEER PARK PROPOSED BUDGET FY 2017-2018

This budget is estimated to raise more total property taxes than last year's budget by \$532,410, an increase of 3.1%. Based on taxable value information currently available from the Harris County Appraisal District, it is not possible at this time to determine the amount of this additional property tax revenue to be raised from new property added to the roll this year.

HOTEL / MOTEL TAX

The City of Deer Park has adopted a hotel occupancy tax in accordance with the Texas Tax Code. The Tax Code provides that cities may elect to impose a rate not to exceed seven percent (7%) of the price paid for a room that costs \$2 or more each day that is ordinarily used for sleeping. The use of local hotel occupancy revenue is restricted to expenditures that enhance and promote tourism and the convention and hotel industry.

PROGRAM DESCRIPTION

The Water Treatment Plant operation provides for the purification and total processing of all raw water received at the plant. Raw water is processed using various chemicals and the purified water is then pumped into the distribution system. Water quality is controlled by the in-house laboratory to ensure compliance with all State and Federal guidelines. Existing water wells and storage tanks are operated and controlled from the plant through computerized telemetry to retrieve, monitor and analyze data.

PROGRAM DESCRIPTION

The Storm Water Department is responsible for the City's compliance with the federal mandate known as the National Pollutant Discharge Elimination System (NPDES). The NPDES mandate requires cities to implement programs and practices to control polluted storm water run-off through a permitting program. The City is required to develop a storm water management program to address a minimum of six control measures. The program can be developed and implemented in phases over a five-year period.

DEER PARK COMMUNITY DEVELOPMENT CORPORATION

The Deer Park Community Development Corporation ("DPCDC" or "Corporation") is a fund established by a dedicated one-half of one percent sales and use tax approved by the voters in May 2015 for economic development purposes. The authority for the DPCDC is provided by Texas Local Government Code, Chapter 505, Type B Corporations. The Corporation is governed by a seven member board appointed by the City Council. The DPCDC was formed for the purpose of financing the following public park purposes and events as authorized by Chapter 505 and the Election: (a) replacement of restroom facilities in Dow Park with a new pavilion structure that includes a stage, restrooms, and a concession stand; (b) renovation and expansion of the Community Center and Gym to include an indoor pool; (c) expansion of the existing Maxwell Center and parking lot; (d) renovation of baseball fields including but not limited to the Spencerview sports complex (Durant Fields); (e) renovation of the girls softball facilities at the Youth Sports Complex; (f) development of soccer fields; and (g) the development of hike and bike trails.

The dedicated one-half of one percent sales and use tax became effective on October 1, 2015 and the first sales tax receipts for the Corporation were received in December 2015.
