RE: Contractor Qualifications for Deer Park

Dear Mr. Sandberg:

We have had an opportunity to review the qualifications and references for the apparent low bidder, Tandem Services, LLC, for the Deer Park Girls Softball Renovations—Phase 1, located at 501 West X St., Deer Park.

Based upon the projects included in their qualifications proposal and references contacted, Tandem Construction is a qualified contractor for this project. The feedback to date from references has been limited, but positive. We were able to review two of the three project references. Attached is a copy of the notes from the phone interviews with the three low bidder's project references. Based on the phone interviews, Tandem Services recent experience and comparable project type experience with the City of Friendswood allows us to reach the conclusion they are qualified for this project.

Please call with questions.

Sincerely,

HALFF ASSOCIATES, INC.

Kolby Davidson, PLA Senior Project Manager
