1. MEETING CALLED TO ORDER – Mayor Mouton called the meeting to order at 6:10 p.m.
2. CONSIDERATION OF AND ACTION ON AUTHORIZATION TO MAKE EMERGENCY REPAIRS TO A 12 INCH SANITARY SEWER LINE – Motion was made by Councilman Patterson and seconded by Councilman Ginn to authorize the repairs of a 12 sanitary sewer line.

Public Works Director, Bill Pederson commented, “We have a potentially collapsed sewer line in front of Antonio’s Restaurant in the middle of Center Street. It is about 12 foot deep and as we clean it out, there is mud, which is indicative that it is collapsed. We are having to clean it frequently to keep it flowing so that there is no back up into businesses. We need to move on this quickly. I have no idea of cost. It is going to require cutting Center Street and two stacked trench boxes due to it being 12 foot deep.”

3. ADJOURN - Mayor Mouton adjourned the meeting at 6:11 p.m.
