Deer Park, Texas 77536
Via email to: ncook@deerparktx.org

Attn: Nicholas Cook, Water

Plant Superintendent

Ref: P St. Water Tank Rehabilitation Project

The purpose of this correspondence is to recommend a contractor for award of the ref. project. A total of 13 bids were received on Oct 24, 2018. All bids opened were reviewed for compliance with City contracting requirements and were considered responsive. A copy of the bid tabulation sheet is available for review.

The low bidder, Cherokee Painting & Sandblasting, requested withdrawal of their bid due to a mathematical error made on their part and not discovered until the day of the bid opening. Their letter requesting withdrawal of their bid was forwarded to City staff this date. A copy is for available for review. We recommend approval to withdraw their bid based on their request.

The second lowest bidder, MK Painting, is recommended for award based on their historical record of completing similar projects on time and in accordance with the contract terms. MK Painting completed a six-tank rehab project in Bellmead, Texas and a two-tank rehab project in Baytown, Texas. Both projects were completed under the direction of our firm and no problems were encountered. Their work was timely and professional. We recommend award of the ref. project to MK Painting.

Please call if we can provide further information.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jimmy D. Dunham', followed by a long horizontal line.

Jimmy D. Dunham, P. E.
