

Deer Park City Council
City of Deer Park
P.O. Box 700
Deer Park, TX 77536-0700

Dear Deer Park City Council,

We trust that each of you and your families are well. We are submitting this letter to detail the reason for our request for a Specific Use Permit.

First, please allow us to introduce ourselves to you: we are Breath Of Life International Ministries, Inc. We are a church that has been in existence for 10 years. For the entire 10 years our congregation has been located in Friendswood, Texas and during that time we have been worshipping in schools as well as a retail space. As our ministry continued to progress in its community outreach and impact, we began looking for an opportunity to purchase land and/or a building. Earlier this year we became aware that a building that had been designed and used as a church had become available in Deer Park. The building is located at 4526 Glenwood Avenue, Deer Park, TX 77536 and was formerly home to Glenwood Baptist Church. After touring the building, we were confident that it would meet our needs, so we followed the appropriate steps to purchase it. We completed the purchase on Tuesday, October 30, 2018.

We are requesting a Specific Use Permit for the property at 4526 Glenwood Avenue, Deer Park, TX 77536 to be used as a Church Facility. At this time, we are not planning any major renovations or changes to the property. The changes we need to make are mostly cosmetic such as painting. The main activities we'd like to host in the aforementioned location include Worship Services, Bible Studies, Community Outreach to help those in need, and Additional Group Meetings to provide awareness about various topics (health and wellness, for example). Our weekly services include a Worship Service and a Bible Study. We are extremely excited about the opportunity to relocate our church to Deer Park to do our part to enrich society by impacting the lives of people in a positive way. We thank you in advance for your kind consideration of our request for a Specific Use Permit.

Please don't hesitate to contact me if you have questions.

With Kindest Regards,

Dr. Marcelia Anderson
