General Terms and Conditions

1. **ELECTRICAL CONNECTIONS.** Post-installation visit(s) related to electrical connectivity will be at the Buyer's specific request and will be conducted at the Buyer's expense. Moreover, it is understood and agreed that Buyer is to furnish all primary electrical service required, connection thereof, and / or switches or other controls at Buyer's own expense. It is understood that final hookup will be completed at the time of installation provided that the circuit(s) is ready. In the event that the connection is not yet available, additional charges related to a return visit for the purpose of completing the hookup will ensue. Buyer further acknowledges that Seller is entitled to payment as per this agreement upon completion of services and/or installation regardless of electrification or connection status and such payment will in no way be withheld or otherwise detained due to a lack of power or other connection.
2. **TAXES.** Unless otherwise noted, prices on the specified products are exclusive of all city, state, and federal excise taxes, including, without limitation, taxes on manufacture, sales, receipts, gross income, occupation, use and similar taxes. Wherever applicable, any tax or taxes will be added to the invoice as a separate charge to be paid by the Buyer.
3. **DELIVERY.** Unless otherwise noted, Buyer shall pay freight charges by Seller's regular method of shipment, i.e., via rail, freight forwarders, or motor carrier to any one destination in the United States, Seller reserving the right to control the routing. When any other than Seller's regular method of shipment is used, terms shall be F.O.B. Seller's premises. Special handling charges by carrier shall be paid by Buyer. All shipments are insured at the Buyer's expense and made at the Buyer's risk. Identification of the goods to the contract shall occur as each shipment is placed in the hands of the carrier.
4. **DELAYS.** Seller will not be liable for any delay in the performance of orders or contracts, or in the delivery or shipment of goods, or for any damages suffered by Buyer by reason of such delay.
5. **CONDITIONS.** All orders or contracts are accepted with the understanding that they are subject to Seller's ability to obtain the necessary raw materials, and all orders or contracts as well as shipments applicable thereto are subject to Seller's current manufacturing schedules, and government regulations, orders, directives, and restrictions that may be in effect from time to time.
6. **ENGINEERING AND PERMITTING.** Specifications and Investment amount are based on the most current engineering and permitting information available at the time of this Agreement. Should modifications be necessary due to updated engineering or permitting studies or requirements, Seller shall have the right pass on any additional costs within the scope of this Agreement.
7. **NONCONFORMITY.** All materials made by Seller are to be inspected before shipment, and should any of such materials prove defective due to faults in manufacture, or fail to meet the written specifications accepted by Seller, Buyer shall not return the goods, but shall notify Seller immediately, stating full particulars in support of his claim, and Seller will either replace goods upon return of the defective or unsatisfactory material or adjust the matter fairly and promptly, but under no circumstances shall Seller be liable for consequential or other damages, losses, or expenses in connection with or by reason of the use of or inability to use materials purchased for any purpose.
8. **CANCELLATION.** An order once placed with and accepted by Seller can be canceled only with Seller's consent and upon terms that will indemnify against loss by Seller.
9. **INDEMNITY BY BUYER.** Buyer shall hold Seller harmless from, and release and not make claim or suit against Seller because of, any suits, claims, losses, or other liability made against, or suffered by, Seller arising from any claim of, or infringement of, patent, copyright, trademark, or other proprietary right, at common law, or claim of unfair trade or of unfair competition, resulting from, or occasioned by, Buyer's use, possession, sale, or delivery of the merchandise sold to Buyer by Seller. Buyer will further indemnify, hold harmless, and defend Seller from all liability for loss, damage, or injury to person or property in any manner arising out of or incident to the performance of this Agreement. Without limitation of the foregoing, Buyer agrees to indemnify and hold the Seller harmless from and against any liability for loss, damage, or injury to person or property in any manner arising out of the electrical connections and / or switches supplied by Buyer hereunder and from drilling for piers and / or foundations, including but not limited to damages to landscaping, sewer lines, gas lines or any other underground obstacle. The indemnity of Buyer herein shall apply regardless of any cause or any fault or negligence of Seller, Seller's agents, successors, assigns, employees, or otherwise.
10. **CLAIMS.** Claims for defective merchandise, shortages, delays, or failures in shipment or delivery, or for any other cause, shall be deemed waived and released by Buyer, unless made in writing within one year after installation.
11. **SELLER'S RIGHT OF POSSESSION.** Until full and final payment is received by Seller, all merchandise delivered by Seller to Buyer shall be the sole property of the Seller and shall not, by reason of any connection to realty, be deemed to be any fixture or appurtenance to realty and shall be severable therefrom. Seller shall have the right, in addition to all others it may possess, at any time, for credit reasons or because of Buyer's default or defaults, to withhold shipments, in whole or in part, to recall goods in transit and retake same, and to repossess and remove all merchandise delivered to Buyer, with out the necessity of taking any other proceedings. Buyer consents that all such merchandise may be so recalled, retaken, or repossessed. Buyer specifically acknowledges and agrees that all such merchandise is and shall remain the Seller's absolute property until full and final payment is received by Seller. The foregoing shall not be construed as limiting, in any manner, any of the rights or remedies available to Seller because of any default of Buyer under the Uniform Commercial Code as in force and effect in the State of Texas or any other applicable jurisdiction on the date of the signing of this Agreement.
12. **WARRANTY.** Subject to and contingent upon the full and timely performance by Buyer of all terms and conditions hereof, including full and timely payment of all invoices, Seller guarantees all original work performed under this Agreement against defective materials, parts and workmanship for a period of **five (5) years** from the date of installation. Seller's obligation with respect to such products or parts shall be limited to replacement or repair F.O.B. Houston, Texas, and in no event shall Seller be liable for consequential or special damages, or for transportation, installation, adjustment, or other expenses which may arise in connection with such products or parts. NO EXPRESS WARRANTIES AND NO IMPLIED WARRANTIES WHETHER OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR USE, OR OTHERWISE (EXCEPT AS TO TITLE), OTHER THAN THOSE EXPRESSLY SET FORTH ABOVE WHICH ARE MADE EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, SHALL APPLY TO PRODUCTS SOLD BY SELLER, AND NO WAIVER, ALTERATION, OR MODIFICATION OF THE FOREGOING CONDITIONS SHALL BE VALID UNLESS MADE IN WRITING AND SIGNED BY AN EXECUTIVE OFFICER OF SELLER. SELLER SHALL NOT BE LIABLE FOR ANY LOSS OR DAMAGE, DIRECTLY OR INDIRECTLY, ARISING FROM THE USE OF SUCH MERCHANDISE OR FOR CONSEQUENTIAL DAMAGES.
13. **TERMINATION UPON DEFAULT.** Upon the happening of any one or more of the following events, Seller shall forthwith have the unrestricted right to cancel and terminate this Agreement without cost or liability to the Seller: (1) Buyer's insolvency or inability to meet obligations as they become due; (2) filing of voluntary or involuntary petition of bankruptcy by or against Buyer; (3) institution of legal proceedings against Buyer by creditors or stockholders; (4) appointment of a receiver for Buyer by any court of competent jurisdiction; or (5) the breach by Buyer or any of the terms of this Agreement..
14. **ACCEPTANCE.** This is not a firm offer and may be changed or revoked at any time before execution. Acceptance of this offer is expressly limited to the exact terms contained herein and any attempt to alter or omit any of such terms shall be deemed a rejection and a counteroffer. These terms and conditions shall supersede any provisions, terms, and conditions contained on any confirmation order, or other writing Buyer may give or receive, and the rights of the parties shall be governed exclusively by the provisions, terms, and conditions hereof. Seller makes no representations or warranties concerning this order except such as are expressly contained herein, and this Agreement may not be changed or modified orally.
