City of Deer Park  
710 E. San Augustine  
Deer Park, TX 77536

Re: Specific Use Permit Applications on approximately 37 acres along the west side of Independence Parkway, north of SH 225 Proposal for use as) Bulk Warehouse.

To the Honorable City Council of Deer Park, Texas:

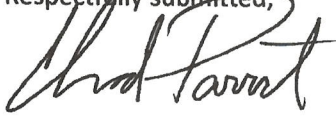

739 Independence, LLC ("Owner") owns approximately 36.96 acres of land located along the west side of Independence Parkway located north of State Highway 225 as depicted on the site plan attached hereto Exhibit "A" (the "Property"). Molto has submitted a petition for voluntary annexation into the City of Deer Park (the "City") for the Property. Upon completion of the annexation proceedings, the Property will be subject to the jurisdiction of the City of Deer Park and be subject to the City's Zoning Code, including the requirement to obtain the Special Use Permits requested in this application in order to develop the Property. Molto wishes to construct approximately 610,000 square feet of speculative bulk warehouse space as well as retain the option to accompany space for laydown yards on the Property (the "Project"). In accordance with this plan, Molto requests that the City of Deer Park ("City") issue a Specific Use Permit under Section 17.04 of the City's Zoning Code, for bulk warehouses, which require a Specific Use Permit to be granted by City Council under the City's Zoning Code.

The Property is unique in that while it will be a part of the City, it is surrounded on all sides by industrial developments that are not within city limits while being connected to the City by a thin strip of property also being annexed. Once developed, the Property will pay property taxes to the City, pay the City for water and sewer services, and will be regulated by the City, all while being physically separated from other property owners within the City. Because of our physical distance from other developments within the City, we request that regulatory relief in the form of a special permit grant because it will benefit the City without significantly impacting the residents or property owners within the City.

We are requesting that the City grant a Specific Use Permit for Bulk Warehouses pursuant to Section 12.01.34 of the City Zoning Code.

Molto Properties is an experienced industrial real estate developer with over 4 million square feet of industrial real estate under management. City Council can be sure that this Project will be no exception to the quality and standards consistent with other properties developed and managed by Molto. The preliminary site plan attached as Exhibit "A" provides for ample parking spaces, well exceeding the required minimum for bulk warehouses under the Code. The final form of the Project may contain fewer parking spaces, but no fewer than the minimum required by the Code.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Chad Parrish". The signature is fluid and cursive, with the first name "Chad" and last name "Parrish" clearly distinguishable.
