Re: Letter of Intent Lot TR 147F-1

To the City of Deer Park Planning and Zoning Commission,

The Wheelhouse has been a not for profit organization providing free treatment services to men suffering from alcoholism and drug addiction in the Deer Park area since 1952.

The Wheelhouse intends to add on to its existing structure in order to serve more men suffering from drug and alcohol addiction.

This addition is intended to be built on our recently purchase lot TR 147F-1 and will accommodate 24 more men to our building.

The Wheelhouse intends to keep the similar facia and design of the original building and will be using the same builder.

I have included our application for amendment, survey and certificate of ownership.

Please contact myself for any further correspondence. We truly appreciate your consideration.
