I am wanting to extend the back of the patio cover about 8 feet more which will give me more area to put in a grill and a BBQ area. That is what I am here for, to ask for your blessing so I can get this done and finished.”

Chairman Balusek asked, “Will it be concrete over that area under the cover?”

Mr. Pillow responded, “Yes. There is already a concrete slab in that area.”

Commissioner Cox asked, “In the drawing here, is the top of that the end of it?”

Mr. Pillow responded, “Yes, and on the side of it, we just noticed, the pen drawing on the side looks like it is going over the side property, but it is continuing with the fascia of the house.”
