Consideration of and action on acceptance of completion of the Dow Park Concrete Work Project, completed by SKE Construction (Buy Board #600-21).

### Summary:

As part of the Parks and Recreation's continued annual comprehensive Capital Improvement Program, the services of SKE Construction were utilized for various concrete/sidewalk repairs throughout Dow Park. City Council approved the purchase of services from SKE Construction, through the Buy Board (contract #600-21) at their meeting held on April 2, 2024.

The project has been completed and all work has been accepted by the City. The contract amount, and total construction cost, was \$137,817.39. We seek Council's acceptance of completion and the approval to release retainage currently being held.

### Fiscal/Budgetary Impact:

The cost for this project was \$137,817.39, funded out of the general fund account 010-432-44070.

Accept completion of the Dow Park Concrete Work Project, completed by SKE Construction (Buy Board #600-21).
