Consideration of and action on a contract between the City of Deer Park and PGAL for architectural services for the design of the Deer Park EMS Annex.

### Summary:

Subsequent to Request for Qualifications (RFQ) 17-001, PGAL was awarded a contract for pre-design and programming services of the Deer Park EMS Annex. That phase is complete, and this proposal and contract will include final design phase services.

A committee consisting of staff members, EMS volunteers, and FCPEMSD Board Members has worked diligently during the programming phase to ensure that the needs of the Department are addressed while keeping a keen eye on fiscal responsibility. The resulting conceptual design represents these efforts.

Attached is the proposed contract.

### Fiscal/Budgetary Impact:

Funding will come from the Fire Control, Prevention and Emergency Medical Services District (FCPEMSD) budget.

Staff recommends approval of the contract.
