Consideration of and action on an ordinance amending "Section 66-176, Schedule E: Speed Limit 30 Miles Per Hour" of the Code of Ordinances.

For clarification of speed zone locations and the consistency of language across speed zone locations in the existing ordinance concerning streets with 30-mph speed limits, staff is requesting that the existing ordinance be revised. This will also make the locations and their description in the Police Department's Records Management System (RMS) match.
