Authorization for Staff to proceed with negotiating contract with lowest qualified bidder on EMS Station construction and to present such as a recommendation to City Council.

### Summary:

The City of Deer Park, in partnership with the Deer Park Fire Control, Prevention, and Emergency Medical Services District, entered into a professional services contract with PGAL to design an Emergency Medical Services (EMS) Station. Bids have been received and staff will present a project update and review options for proceeding.

### Fiscal/Budgetary Impact:

This project is primarily funded by the FCPEMSD. Architectural and Design services were included in both the FY17-18 budget as well as the proposed FY18-19 budget. Construction costs are included in the District's FY18-19 budget, and additional funding will be requested from the City Council.

Authorize staff to negotiate with lowest qualified bidder and present resulting contract to City Council for approval.
