Consideration of and action on entering into an agreement with CDM Smith for professional engineering support services for task associated with fiberglass reinforced plastic (FRP) launder covers for Deer Park - Waste Water Treatment Plant (WWTP).

Summary:

CDM Smith is currently performing engineering services for the City of Deer Park - WWTP facility. CDM Smith's proposed Amendment #3 task under this contract is to focus the engineering effort to purchase fiberglass reinforced plastic (FRP) clarifier launder covers from qualified vendors.

The proposal includes services to assist in obtaining bid prices for the FRP launder cover system that will be installed by others. Tasks to include: 1) FRP Launder Specifications, 2) Contract Documents and Bidding Support, 3) FRP Launder Cover Submittal Review, and 4) FRP preparation and CM Support. Cost for proposed task is \$19,000.

Water and Sewer Bond Fund

Enter into an engineering agreement with CDM Smith for proposed Amendment #3 task.
