Authorization to reject bids and re-bid the Surface Water Treatment Plant - Sludge Removal Project.

Summary:

On July 8, 2019 we opened bids on the Surface Water Treatment Plant - Lagoon Cell #1 - Sludge Removal. We received two bids for this project, which were:

Lecon, Inc.	\$1,754,022.00
Synagro of Texas	\$1,033,867.25

This current fiscal year, we had \$500,000 budgeted for this project. These funds will now be carried over to the 2019-2020 fiscal year. We previously requested an additional \$500,000 for the 2019-2020 fiscal year budget. By carrying over the existing \$500k to the next fiscal year will allow us a total of \$1-million in the water / sewer fund to cover the cost of cleaning the lagoon.

Fiscal/Budgetary Impact: funding will be through the water/sewer fund

Staff recommends rejecting and rebidding the project
