Presentation of the renovations of playground equipment at Nedith Park.

Summary:

On August 11, 2016, the Parks and Recreation Department purchased playground equipment to renovate Nedith Park. On October 24th construction began for the new playground with construction coming to completion in November 30th. During the workshop, a brief presentation will be shown visualizing the progress of the new playground being constructed.

Please make plans to attend the Nedith Park Playground Dedication prior to the Workshop at 5pm. The Parks and Recreation Department will be hosting the dedication ceremony.

Fiscal/Budgetary Impact:

None.

Presentation and discussion only.
