File #: ACT 17-032, **Version:** 1

Acceptance of completion of the Battleground Golf Course Driveway Improvements.

Summary:

The Battleground Golf Course Driveway Improvement Project has been completed by RAC Industries and is now ready for Council acceptance and release of final payment.

As you may recall, the President issued a federal disaster declaration in Harris County, Texas for flooding rains that occurred from May 4-29, 2015. The City of Deer Park suffered damages to infrastructure near the Battleground Golf Course. Specific damages included the damage to a bridge and roadway servicing the course's maintenance facility. The heavy rains and flooding caused erosion which had left the roadway unusable. It was determined that these damages were eligible for FEMA Public Assistance reimbursement coverage due to the Presidential Disaster Declaration.

Cobb, Fendley & Associates Inc., performed the engineering and design for the project that would rehabilitate the Battleground Golf Course Driveway.

RAC Industries was awarded the project based on their low bid of \$207,639.95 the final cost of the project was \$207,991.32.

Fiscal/Budgetary Impact:

This project was funded out of Fund 22

Staff recommends acceptance of the project.
