Presentation of new Pierce Ladder Truck purchased by the Fire Control District.

Summary:

We have taken receipt of a new Pierce Ladder Truck. This truck represents up-to-date technology and firefighting equipment to serve the community and our citizens. It is with great pride that members of the Deer Park Fire Department and Emergency Services Division offer tours and showcase the capabilities of this new apparatus.

Fiscal/Budgetary Impact:

No budgetary impact, the truck has already been purchased.

Go outside and take a tour of this beautiful new firetruck for our community.
