

Legislation Text

File #: DIS 17-134, **Version:** 1

Discussion of issues relating to an update on the City's Hurricane Harvey damage, recovery, and the FEMA process, including an update on community flooding issues and plans.

Summary:

Staff will provide Council with a review and update on Hurricane Harvey's impact on the City of Deer Park. This will include a summary of rainfall and damage and a comparison to previous events, the recovery process with debris collected and damages repaired, the FEMA application and reimbursement process, and some of the potential/planned future drainage projects.

Fiscal/Budgetary Impact:

No budget impact, report only.
