Authorization to advertise and receive bids for the Deer Park EMS Station.

Summary:

The City of Deer Park, in partnership with the Deer Park Fire Control, Prevention, and Emergency Medical Services District, entered into a professional services contract with PGAL to design an Emergency Medical Services (EMS) Station. The design is complete and staff requests authorization to advertise and bid the project.

Fiscal/Budgetary Impact:

This project is primarily funded by the FCPEMSD. Architectural and Design services were included in both the FY17-18 budget as well as the proposed FY18-19 budget. Construction costs are included in the District's FY18-19 budget. Depending on total proposal costs, some additional funding from the City Council may be requested.
