Consideration of and action on recommending to City Council to authorize negotiating a professional services agreement with Brinkley Sargent Wigington Architects for programming services associated with the Community Center and Gymnasium.

Summary:

In 2016, after receipt and review of Statements of Qualifications from several firms, the DPCDC recommended, and the City Council approved a Prime (or master) agreement with Halff Associates and separate task orders for the seven (7) Type B funded projects. Task Order No. 16-005-A was for Phase I Programming for the exiting Community Center and Gymnasium. It has now been recommended that Task Order No. 16-005-A related to the existing Community Center be terminated and to instead explore options for a new Community Center facility. Mr. Stephen Springs, Senior Principal of Brinkley, Sargent, Wigington Architects served as the architectural subconsultant to Halff Associates for the evaluation of the Community Center. Brinkley, Sargent, Wigington has an extensive background in the programming and architectural services of recreational and city facilities.
