File #: BID 18-031, Version: 1

Award the Rehabilitation of the P Street 1-Million Gallon Ground Storage Tank.

Summary: Dunham Engineering was hired to perform the design, engineering plans and specification as well as the inspection of the Rehabilitation of the P Street 1-Million Gallon Ground Storage Tank.

The proposal had three parts to it:

The Base Bid amount - which was for the labor and materials to rehab the interior and exterior of the tank as well as perform repairs on the tank.

An Alternate Bid amount - to furnish an alternate coating on the tank

An Additive Bid item - to furnish labor and material to pressure wash the tank's interior surface

On October 24, 2018 we received 13 bids for this project. Dunham Engineering is recommending award to the 2nd lowest bidder, MK Painting, Inc. based on their bid of \$335,000 with an Additive Bid of \$4,000.

Three (3) Lowest Bidders (for full list, see attached)			
Company	Base Bid Amount	Alternate Bid Amount	Additive Bid Amount
Cherokee Painting	\$235,000	No bid	\$5,000
MK Painting, Inc.	\$335,000	No bid	\$4,000
Outlaw Coatings	\$379,796	No bid	No bid

Per the attached Letter of Recommendation provided by Dunham Engineering, Cherokee Painting requested withdraw of their bid due to a mathematical error made on their part and not discovered until the day of the bid opening. Their letter requesting withdraw of their bid is attached to this agenda item.

The second lowest bidder is MK Painting, Inc. Their references have been checked and Dunham Engineering is recommending awarding the project to them for the cost of \$339,000.

Fiscal/Budgetary Impact: This project is being funded out of Series 2017-A Certificates of Obligation

Bond (Fund 52)

Staff recommends awarding this project to MK Painting
