Presentation of the Parks and Recreation Department Annual Report.

This is our initial 2018 annual report that depicts the mission statement, vision statement, leadership, goals and objectives, project updates and division reports that will be valuable information to provide to you and the public on the operations of the Parks & Recreation Department.

This report was organized by our Marketing / Technical Coordinator, Nicki Garvis with the assistance of all the division supervisors.

This will be an annual presentation that we look forward to updating and improving each year.
