Presentation of Art Park Players Mamma Mia Production.

The Art Park Players under the auspices of the City of Deer Park Parks and Recreation Department will now present a five-minute musical medley from the smash hit MAMMA MIA!

MAMMA MIA! the global phenomenon, comes to Deer Park, after playing to sold out audiences around the world. After 19 years of licensing requests, we are the first community theatre in Houston to acquire the non-professional performance rights, to which we consider a huge honor. Performances are quickly selling out, so don't miss your chance to see this electric production under the direction and choreography of Ryan Baker, featuring 37 of Houston's finest performers.

And now with much pride, I present to you, the Art Park Players summer production MAMMA MIA!

The production will show on July 5, 6, 7, 12, 13, 14, 19 & 20 located at the Theatre/Courts Building, 1302 Center Street in Deer Park.
