Discussion of issues relating to the 2020 National Cybersecurity Awareness Month presentation.

Summary:

Held every October, National Cybersecurity Awareness Month (NCSAM) is a collaborative effort between government and industry to ensure every American has the resources they need to stay safe and secure online while increasing the resilience of the Nation against cyber threats.

This year's overarching theme is "OWN IT. SECURE IT. PROTECT IT." NCSAM 2020 will emphasize the role each individual plays in online safety and stress the importance of taking proactive steps to enhance cybersecurity at home and in the workplace.

Staff will present a short informative video about NCSAM 2020. (<https://www.youtube.com/watch?v=c2EKyWwCfOI>)

Fiscal/Budgetary Impact:

None.

Presentation only with a related item on the regular Council meeting agenda for proclaiming October 2020 as "National Cybersecurity Awareness Month".
