Presentation of the Parks and Recreation Department Annual Report for 2020.

### Summary:

Attached you will find a copy of the 2020 Parks and Recreation Department Annual Report. Presentation of the annual report began in 2018 with the intention of presenting this report to City Council each year in the spring. This document depicts the mission statement, vision statement, leadership, goals and objectives, project updates, division reports and data from Department operations over the past year. This information has proven to be valuable information for City Council, City staff and the general public on the overall operations of the Parks & Recreation Department.

This report was organized by our Marketing / Technical Coordinator, Nicki Garvis with the assistance of all the division supervisors.

This annual presentation has been updated and improved upon since 2018 and we look forward to continued enhancement of this report each year.
