

## City of Deer Park

### Fire Control Prevention and Emergency Medical Services District

### 2025-2026 Quarterly Report Fire, EMS and Fire Marshal

June 2026

---

- Engine 31 returned from its annual Preventative maintenance
- Purchased additional 3" and 5" hose to replace sections that did not pass hose test and to build up stock.
- Completed polywork for new E-12 inside of storage compartments
- Completed repairs to A/C for E-41 to get some cool air within the cab.  
*Still need some repairs to dislodge clog somewhere in a branch.*
- Some welding work was performed at drill field burn building to strengthen up a portion of the burn building wall, in process of obtaining quote to finish off the rest of the wall.
- Working on scheduling of annual aerial testing for Ladder 22.
